

# YOU CAN TRUST OUR OLD FASHIONED VALUES

NEED TO KNOW THE REAL VALUE OF A PIECE OF ANTIQUE JEWELLERY OR SILVERWARE?  
TALK TO THE EXPERTS AT THE BIRMINGHAM ASSAY OFFICE!

**SAFE GUARD**<sup>®</sup>  
THE INDEPENDENT JEWELLERY VALUATION SERVICE

The UK's leading independent valuation organisation now provides a range of valuation services including a new Jewellery Assessment Report designed to provide reassurance to customers buying antique items.

**ANCHOR CERT**<sup>®</sup>  
INDEPENDENT DIAMOND CERTIFICATION

Staffed by experienced and highly qualified gemmologists, AnchorCert provides certification and/or assessment of diamonds and other gemstones – even when they are mounted.

**THE LABORATORY**

The UKAS-accredited Laboratory specialises in determining the precious/non-precious metal content in any piece of jewellery or other item and offers a range of associated tests and services.

**HALLMARKING**

The ultimate guarantee of precious metal content and quality. Assay and hallmarking services are available for both newly created and antique items.
